AMENDMENT

S I R :

In response to the Office Action dated February 1,
1991, kindly amend the above-referenced application as follows:

In the Claims:

Please amend claim 21 as follows:

CM 21. (Amended) A method for effecting cauterization
necrosis of the tissue lining of a mammalian body cavity
comprising the steps of:

(a) inserting a distendable bladder into the body
cavity;

(b) inflating said distendable bladder to a
predetermined pressure with a fluid so that said distendable
bladder is in contact with substantially all of the tissue
lining for which necrosis is desired;

I hereby certify that this correspondence is being deposited with the
United States Postal Service as first class mail in an envelope addressed
to: Commissioner of Patents and Trademarks, Washington, D.C., 20231, on

Date August 6/1991 Atty's Reg. # 33,804
